EFFICIENCY, QUALITY & RELIABILITY

Montana BLACK is a high-pressure Nitro-Combination based formula and is the superior can of it's class. Re-developed with 187 powerful, high covering matte finish colors that can be applied to any surface. The ultimate painting experience with perfect control and handling. Short drying time allows rapid re-application and overlapping with other colors immediately. Non-scented aerosol paint made to the highest quality, health and environmental standards. Montana BLACK spray paint is famous for its quality and reliability. The perfect tool for street art and graffiti artists. With it's high pressure valve, Montana BLACK allows users fast application. In combination with the various of Montana caps available, artists will experience a new era of spray painting possibilities. Montana BLACK is weather and winterproof.

COLOR SYSTEM

Re-developed and perfected, Montana BLACK offers a dynamic color range. With 187 matte color shades the range includes 7 Power colors as well as the metallic shades, Gold, Copper and Silverchrome. It also features TRUE colors that simulate CMY(K) values and special artist colors. A Selection of colors are also available in 150ml and 600ml (refer to color chart).

LACQUER AND VALVE

NITRO-COMBINATION BASE

The Montana BLACK contains fast painting and layering optimized Nitro-Combination lacquer. The matte finish colors are fast drying and high covering. Only high quality ingredients and best pigments have been used for the development and production of the new Montana BLACK, assuring the highest standard of quality.

HIGH-PRESSURE

The high-pressure system allows for fast and perfect handling. Due to the high output of paint and the high pigment load Montana BLACK covers extremely well. In conjunction with the use of Montana spray caps, Montana BLACK enables users to apply the paint to large or small surface areas with accuracy and efficiency. Spray widths from 1cm to 30cm can be achieved depending on the user skill and experience.

100% WINTER PROOF

Functions reliably in extremely cold conditions. Perfect for artists working outside in cold climates. Praised by artists around the world, Montana BLACK has proved to be the all weather rugged and reliable tool.
