

## MONTANA EMPTY MARKER 2MM BALLTIP

The Montana EMPTY BALLTIP marker is available as 2mm and 6mm tip. Great for juicy and drippy tags! Works good especially on rough surface... Refillable with all inks, paint and even with coating colors.

## PRODUCT INFORMATION "MONTANA EMPTY MARKER 2MM BALLTIP"

The Montana EMPTY BALLTIP markers are the work horse of the empty marker family. Available in 2mm and 6mm, these empty markers distribute their potential 30ml of content through an industrially strong ball tip that can tolerate just about any type of surface. Ideal in combination with Montana DYE INK Refill STRONG BLACK 200ml, the EMPTY BALLTIP markers are the highest quality german manufacture with flexible plastic bodies that enable just about any ink or paint to be squeezed past the ball tip. Delivered as empty markers.
