MONTANA ILLUSTRATION BOOK BEST OF #1 - #3

The guilty pleasures continue with the new Illustration Book Best of #1 - #3. The urban landscape is vast and this edition of the Montana Illustration book covers all your favourite scenes from issues #1, #2 and #3. Ever wondered what it would be like to paint the famous Dutch bannana trains, that prime European rooftop spot you could never figure out how to get to or the much loved Los Angeles style elevated billboard, so you can do some advertising of your own? They are all there as well as some much loved classics such as busses, transporters and of course more trains. Produced with fine quality, 120gsm paper, optimised for colouring and sketching, with additional blank pages for freestyle sketching. The hard cover Illustration Book Best of #1 - #3 is now also in a larger format measuring 26 x 17.5 cm / 10.2" x 6.9", spiral bound and ready for action. Be creative all over the world from the luxury of where ever you are. Out Now!
