

PRODUCT INFORMATION "MONTANA ACRYLIC MARKER 2MM FINE"

Color Shades	36
Tip Size	2mm
Base	water-based acrylic paint
Gloss Level	Matte finish

The Montana ACRYLIC Marker Fine is a high quality water based paint marker available in 36 vibrant colors and varnish gloss that match to corresponding colors in the Montana GOLD spray paint series.* The highly pigmented paint is light-fast, high covering, water-resistant and abrasion proof allowing application to almost any surface. The optimum flow control pump-valve system allows accurate handling and application. The transparent marker bodies allow for easy assesment of remaining marker content. Replacement tips are seperately available. The solvent free ACRYLIC Marker range is ACMI approved and carries the AP mark of non-toxicity. Can be used on almost any surface, best results on even surfaces. Ideal for interior use - for exterior use, please use Montana Varnish for sealing. Make sure to apply only on dry and clean surface. Alternative tips are seperately available in sizes: 2mm round, 5mm calligraphy & 6mm chisel.

Ideal for interior use - for exterior use, please use Montana Varnish to seal and increase longevity. For best results in sealing we recommend to use Montana Varnish spray that are compatible to ACRYLIC paint. When working with other varnishes please test always before application - it might not be compatible.

* **Color matching:** Due to a different paint base between ACRYLIC markers (water-based) and Montana GOLD spray paint (solvent-based), for best color matching results apply a coat of Montana Varnish Gloss for one even finish. Slight differences may appear due to used substrate or ground. 100% color match is not guaranteed. Always test before use!
