The newest member to arrive in the Montana Cans family is the 750ml ULTRA-WIDE can. An ideal tool for contemporary urban calligraphy and ultra wide line work, the ULTRA-WIDE can comes in Chrome, Black, Red, Blue, Royal Purple and Nappies with a spray width variation from 15cm if applied rapidly at close range, to approx. 60cm if applied slower at a greater distance to the desired surface.

Complimented by a specially developed yellow Ultra Wide calligraphy spray cap which is set in a horizontal spray position, users are able to maximize vertical stroke application and achieve a higher vertical spray reach of upto 2m higher then final stroke height. Maximum output can be achieved with Montana ULTRA-WIDE CHROME. Due to high pressure beware of wide output and counterstroke! Surface area can be covered in exceptionally fast time. Do not spray near any electrical power sources!
