

# BLACK ARTIST EDITION TRISTAN EATON

To celebrate the 10th edition of our on going Montana BLACK limited edition artists series, we have this time joined forces with US born artist, Tristan Eaton. Eaton is no stranger to the world of graffiti and mural making. The color of choice was the Montana BLACK, BLK 5070, Horizon. Bringing the can to life, Eaton has managed to tie in some of his trademark visual elements like faces, typography, line work, op art and image layering. Keeping the bar high, we are proud to announce that this beautiful addition to the Montana BLACK Artists Series is now available while stocks last.
