

# BLACK ARTIST EDITION MOST

The 16th edition of the Montana BLACK Artist Can series is out now! And this time we feature the iconic Hamburg style master, MOST. Originating from the Ruhrgebiet in Western Germany, MOST has been pushing the graffiti envelope since the 1990's. As a founding member of the JCB crew and an all-round prolific contributor to graffiti culture, we are proud to announce a facelift for the much loved Montana BLACK color, Nostradamus BLK 7230. Or as we should call it now, MOSTradamus.

# PRODUCT INFORMATION "BLACK ARTIST EDITION MOST"

The 16th edition of the Montana BLACK Artist Can series is out now! And this time we feature the iconic Hamburg style master, **MOST**. Originating from the Ruhrgebiet in Western Germany, MOST has been pushing the graffiti envelope since the 1990's. As a founding member of the JBCB crew and an all-round prolific contributor to graffiti culture, we are proud to announce a facelift for the much loved Montana BLACK color, **Nostradamus BLK 7230**. Or as we should call it now, **MOSTradamus**. Not forgetting Nostradamus 7320 is a great color choice thanks to the neighbouring super high covering neighbouring colors such as Houdini 7210, Morpheus7220, Ghetto 7320 and Dumbo 7340. MOST has managed to re-interpret the Montana BLACK can design adding various parts of his artistic path which got him to where he is. Whether it be arrows, a throw up or a personalised symbol. Its all there in this collectable tool that doubles as a piece of art itself.
