PRODUCT INFORMATION "BLACK ARTIST EDITION PANTONE"

The 17th edition of the Montana BLACK Artist Can series features the world renowned artist, Felipe PANTONE (aka Pant1). This super prolific ULTRA BOY, is of Argentinian-Spanish origins and currently based in Valencia, Spain where his studio is located. PANTONE is a self confessed child of the internet era working with notions of dynamism and kinetic art. However drenched in his street based, graffiti roots. Although the letters are no longer an important feature of his artwork, PANTONE truly exhibits his lust to create in his exceptionally high quality artistic output. It is no surprise that he chose his favourite Montana BLACK color, Infra Red- BLK IN3000.
