

STUDIO RACK 84ER

The success of the Montana Studio Rack range has meant functional and design savvy solution for store and displaying cans. The Montana Studio Rack 84er has the stylish matt black finish that is strong, aesthetic and much loved. The new 84er edition means you can now keep your regularly used art making tools and some extra complimentary material at arms reach in your studio.

PRODUCT INFORMATION "STUDIO RACK 84ER"

The success of the Montana Studio Rack range has meant functional and design savvy solution for store and displaying cans. The Montana Studio Rack 84er has the stylish matt black finish that is strong, aesthetic and much loved. The new 84er edition means you can now keep your regularly used art making tools and some extra complimentary material at arms reach in your studio. The rack holds 84 x 400ml spray cans or 192 x 180ml Montana ACRYLIC in refills. The racks are 45cm wide x 13.5cm deep x 108.5cm high, meaning not much space required to store that many cans. The rack functions as a show piece to display those rarities you may have collected, those necessities you always go to or as a shop display for special sales campaigns. The removable header enables you to personalise or change your header message as required. Note: Rack is supplied empty.
