MONTANA SKINNY CAP BLACK/BLACK

The Skinny Cap Black/Black is a cap for fine average spray width from ca. 1-1,5cm (0.4" to 0.6"). Perfect for Metallic Colors. The spray width changes with the used distance to the object. For skinnier lines, spray from a closer distance. For fatter lines, spray from a further distance.

PRODUCT INFORMATION "MONTANA SKINNY CAP BLACK/BLACK"

The Skinny Cap Black/Black is a cap for fine average spray width from ca. 1-1,5cm (0.4" to 0.6"). Perfect for Metallic Colors. The spray width changes with the used distance to the object. For skinnier lines, spray from a closer distance. For fatter lines, spray from a further distance.

The Skinny Cap Black/Black is a comfortable round-bodied cap that can be used on almost any smaller scaled works. With an average spray width of 1cm to 1.5cm, it can be used for graffiti, urban art, street art or most forms of art and craft projects. Its linear output is clean and smooth enabling users to work in detail over smaller scaled work. Fitting on all female valve cans means the Skinny Black/Black fits on the Montana GOLD, Montana BLACK and Montana White. The spray width varies subject to the distance it is being applied to the object being painted. For skinnier lines, spray from a closer distance. For broader lines, spray from a further distance.
