

BLACK ARTIST EDITION RAMBO

The next Montana BLACK Artist Edition is out now! No. 12 features the Moscow based Graffiti Artist RAMBO. Hailing from one of the largest cities in the world, Rambo played with the contrasts of Moscow's city lights and skyline. The Russian Artist chose the color tone Silverchrome of the famous and proven Montana BLACK Range for his Artist Edition. Silverchrome is notorious for its coverage and speed and therefore many writers chose it to paint the streets during the last crisis. Perfect for Rambo's fast and simple pieces and styles.

PRODUCT INFORMATION "BLACK ARTIST EDITION RAMBO"

The next Montana BLACK Artist Edition is out now! No. 12 features the Moscow based Graffiti Artist RAMBO. Hailing from one of the largest cities in the world, Rambo played with the contrasts of Moscow's city lights and skyline. The Russian Artist chose the color tone Silverchrome of the famous and proven Montana BLACK Range for his Artist Edition. Silverchrome is notorious for its coverage and speed and therefore many writers chose it to paint the streets during the last crisis. Perfect for Rambo's fast and simple pieces and styles. The design is inspired by the artist's environment – impressions that Rambo sees everyday: the city lights, the skyline of Moscow and of course a lot of Graffiti! Keeping the bar high, we are proud to announce that this beautiful addition to the Montana BLACK Artists Series is now available while stocks last.
