

## MONTANA HELLO-GRAM STICKER – NON-EGGSHELL

The phrase "Hello My Name Is", is all too familiar with the modern-day graffiti sticker bomber. This humble sticker transformed from a simple tool to help people remember each other's names, to becoming an iconic graffiti tool to help graffiti writers tell the world what their names are. The new Montana HELLO-GRAM stickers take sticker bombing to a new level.

# PRODUCT INFORMATION "MONTANA HELLO-GRAM STICKER – NON-EGGSHELL"

The phrase "Hello My Name Is", is all too familiar with the modern-day graffiti sticker bomber. This humble sticker transformed from a simple tool to help people remember each other's names, to becoming an iconic graffiti tool to help graffiti writers tell the world what their names are. The new Montana HELLO-GRAM stickers take sticker bombing to a new level. The 12cm x 9cm sticker base features the traditional Montana Cans "Hello My Name Is" design and places it on a new holographic (non-eggshell) adhesive film. Sold in packs of 50, stand out from the crowd with a galactic touch on the new Montana HELLO-GRAM sticker.
