

## MONTANA EMPTY MARKER 8MM CHISEL TIP

The Montana EMPTY Marker 8mm Chisel is the shorter hybrid of the larger EMPTY marker assortment. Also featuring the specially optimized valve system for best flow control, the refillable empty body of the 8mm CHISEL holds 14ml of liquid and is slightly shorter for easy use and fast stowing. Suitable for all Montana inks and paints, the marker is supplied empty with mixing balls included.

# PRODUCT INFORMATION "MONTANA EMPTY MARKER 8MM CHISEL TIP"

The Montana EMPTY Marker 8mm Chisel is the shorter hybrid of the larger EMPTY marker assortment. Also featuring the specially optimized valve system for best flow control, the refillable empty body of the 8mm CHISEL holds 14ml of liquid and is slightly shorter for easy use and fast stowing. Suitable for all Montana inks and paints, the marker is supplied empty with mixing balls included. The replaceable sharp 8mm chisel tip is ideal for the delivery of dye ink, and the Montana BOLD Ultra Ink 200ml refill. Montana EMPTY Markers are also available as 8mm/ 2mm round, 10mm/ 3mm chisel, 15mm standard, and 10mm crusher. Highest quality manufacturing - MADE IN GERMANY
